FOR THE BENEFIT OF THE  
PALESTINIAN WATER AUTHORITY**

**REQUEST FOR EXPRESSIONS OF INTEREST  
(CONSULTING SERVICES – FIRMS SELECTION)**

<b>Country:</b>	Palestine
<b>Name of Project:</b>	Water Security Development- Gaza Central Desalination Program: Associated Works Project Phase I (AWP-Phase 1)
<b>Project ID No.:</b>	P168739
<b>Assignment Title:</b>	project implementation consultant to supervise the implementation of the reconfiguration of water distribution system in southern and middle governorates
<b>Reference No. (As per Procurement Plan):</b>	GZ-PWA-324325-CS-QCBS
<b>Invitation No.:</b>	PWA/WB/2023/009 EOI-CTD

The Palestinian Liberation Organization (PLO) for the benefit of the Palestinian Authority has received financing from the World Bank toward the cost of the Water Security Development - Gaza Central Desalination Program: Associated Works Project Phase I (AWP-Phase 1), and intends to apply part of the proceeds for consulting services.

The consulting services ("the Services") include supervision in the following construction items

- the rehabilitation of 16 existing concrete reservoirs, including among the other components the installation of mixers, to receive and blend water from multiple sources (Mekorot, STLV's, Water wells) and supply related water distribution systems;
- the reconfiguration of the existing downstream water distribution systems by installing around 67 km of different diameter ductile iron and HDPE pipes;
- the rehabilitation of the existing production water wells (52 wells) including the electromechanical equipment;
- the reconfiguration of upstream connections between selected production water wells and existing /new concrete reservoirs by installing around 30 km of

different diameter HDPE pipes to enable the blending at reservoirs sites and to make a clear separation between bulk water and downstream system.

- Reinstatement Works- southern Governorate.
- Telemetry and SCADA Communication system

The objectives of the assignment are to supervise the construction of W01- Reconfiguration of the water distribution system in the Southern Gaza Governorates including the D.L.P (18 months) in addition to D.L.P (12 months) for W02-Reconfiguration of water distribution system in Middle Gaza Governorate.

The estimate level of effort for the key staff is **172.25** person-months. The assignment is expected to commence in **September, 2023** and the implementation period is around **15** months. in addition to, **18** months for the D.L.P.

The indicative Terms of Reference (TOR) is subject to modification & finalization before issuing of the Request for Proposal (RFP), for the assignment can be found at the following website:

The Central Tendering Department (CTD) now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlist shall include not more than eight eligible firms. No liability will be on CTD or PWA for non-shortlisted firms and that only shortlisted will be provided with RFP, the shortlisting criteria are:

1. General experience in the field of design and/or reviewing design, managing and supervising the construction of similar projects for a minimum of 10 years
2. Specific experience in the field of the assignment. The firm should have a proven track record of previous experience of similar assignments in the same or related field. The consultant should have successfully completed at least 2 similar assignments supervise the construction of similar water and wastewater infrastructure
3. Availability of appropriate skills among staff and/or the ability to mobilize a diversified team of experts with appropriate knowledge and skills

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank’s “Procurement Regulations for IPF Borrowers” July 2016 Revised November 2017 and August 2018 (“Procurement Regulations”), setting forth the World Bank’s policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A Consultant will be selected in accordance with the **Quality and Cost Based Selection (QCBS)** method set out in the Procurement Regulations.
